Dear Parents/Guardians:

The staff of Courtice Intermediate School are excited about receiving your child next year in Grade 7. The combined schools of Courtice Intermediate and Courtice Secondary enables your child to have many new experiences. To help ease the transition, we are offering three events to help inform you and your child about what to expect in their journey to grade 7 at Courtice Intermediate School.

- Please mark **Wednesday, May 15th** on your calendar. This will be the date of our Parent Information Night in the Courtice Intermediate/Secondary cafeteria. Parents and students are invited to attend this meeting from 6:30 p.m. to 8:00 p.m. There will be a presentation by our administrative team about our school and we will be answering any questions you may have. After the presentation, you will have the opportunity to tour the school to see our classrooms, the gymnasium, the library and the rest of the building. If you are unable to attend this night and still would like to see the building and ask questions, please contact me and I can arrange a tour after school.
- On **Wednesday, June 5th**, current students from grades 7 will visit the grade 6 classes to give a presentation about the school. In the presentation, the students will highlight the similarities and differences between their current school and Courtice Intermediate. Students will have the opportunity to ask our students any questions or concerns they may have.
- Finally, on **Wednesday, June 26th**, the grade 6 students will be coming over to Courtice Intermediate for an orientation activity day. The afternoon includes co-operative games, a school tour and meeting the current grade 7 students. It's a fun-filled time to make the students feel more relaxed about coming to Courtice Intermediate School next year.

Our goal is to make the transition from grade 6 to 7 as easy as possible for everyone involved. Please do not hesitate to contact me if you have any questions regarding anything about Courtice Intermediate. If your child will not be attending here in September, please let us know as soon as possible.

Thank you,

Tanya Doyle

Vice-Principal, Courtice Intermediate School
